

EXODUS JOURNEY + THE ST PAUL EXPEDITION

# CRADLE OF CHRISTIANITY

## JERUSALEM

It has been said that every Christian has two native homelands, the one of their birth, and the Holy Land, especially Jerusalem. For over 300 years, the Holy City of Jerusalem has been the Queen of the world's cities, the jewel of all destinations through the eyes of faith. All sacred roads lead ultimately to this magnetic religious centre of the world, this birthplace of faith.

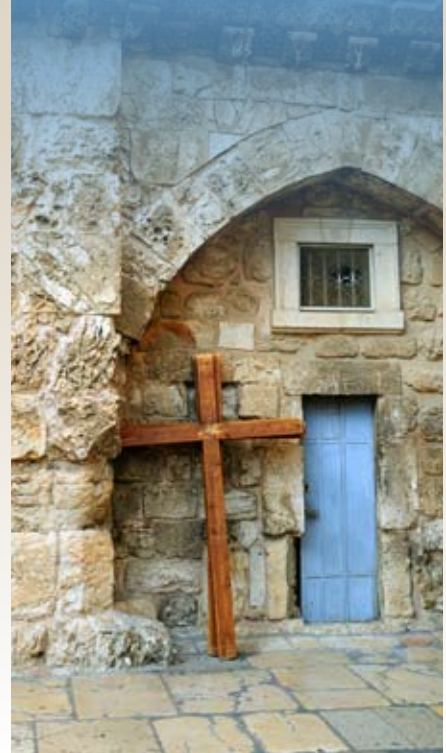

As the changing colour of Jerusalem's familiar skyline deepens under the setting sun, the travelling pilgrim is moved to contemplate the significance of this precious and universal city that caused Jesus to weep (Luke 19:37-42). From the time of King David's Temple, to when Christ walked His Passion along the way of sorrow, and to the present day when Jerusalem stands as a spiritual home for all believers, this holy city resonates with a history that is just waiting to be experienced. Rich in paradox with a past and a present reality of both eccentric glory and immense suffering, Jerusalem is a living, breathing prayer for the future of a restored and unified church.

A privileged journey to Jerusalem will help one understand why this place is heralded as the very source of faith and the summit of all destinations for the earthly pilgrim.
