## ST PADRE PIO

Canonised on 16 June, 2002 St. Padre Pio is one of the most extraordinary modern day Saints. He was born in Pietrelcina, Italy and spent the last fifty years of his life in San Giovanni Rotondo. Each year, thousands stream to the small Italian town to visit the place where this saintly priest lived in such close and dramatic communion with God. His profound love of Jesus and Mary was reflected in his life with many graces and remarkable gifts from God. He was blessed with privileges such as the reading of souls, prophecy, bi-location, daily communication with his guardian angel, discernment of spirits, the need for little sleep and miraculous healings.

In 1918 he was the first priest in history to receive the profound gift of the sacred stigmata. Desiring to participate fully in the sufferings of Jesus, St. Padre Pio pierced with the five wounds of Christ whilst praying before the crucifix. He bled from these wounds until his death on 23rd of September 1968.
