

HOLY LAND & ROME

ST. PETER'S BASILICA: LIVING HEART OF THE CATHOLIC CHURCH

For Catholics, a trip to Rome, the Eternal City is not complete without at least one visit to this, the 'venerable Basilica of the Apostle, that is the heart of the Catholic Church. A beating heart, gives thanks to the Holy Spirit which keeps it alive' (Pope Benedict XVI).

In the words of John Paul the Great, "Whoever arrives in St Peter's Square feels immediately welcomed by a spiritual embrace".

It is fitting that St Peter's Basilica is built over the tomb of the first Pope, Peter (meaning 'rock') of whom Jesus said 'On this rock I will build my Church' (Matt 16:18). The Basilica is a reflection of the immensity, beauty, vastness, majesty, glory, and awesomeness of God. Pilgrims flock here in their millions to spend time in reflection in this place of great peace; to be inspired by the Holy Father and to seek the intercession of the leaders of the Church who have gone before us.
