THE FATIMA STORY

In 1917 when Europe was in the tumultuous throes of World War I something remarkable began to happen in a small hamlet in the rocky hills of Portugal. Lucia de Santos, a nine-year-old peasant girl and her two cousins, Francisco and Jacinta spent hours each day tending to their sheep.

On 13 May the Blessed Virgin appeared to the three children as "a lady in white". She told them she was from heaven and that she wanted to meet them on the 13th of every month for six months and she would reveal who she was. She asked them to pray the Rosary for the end of the war.

Though people disbelieved them at first, crowds began to gather on this day every month until on 13th October over fifty thousand people had come together. On this wet and dreary day, Our Lady appeared to declare herself 'Our Lady of the Rosary' and the great Miracle of the Sun occurred. Many people including skeptical journalists who were there to report the event were converted. Through Fatima, Our Lady calls all people back to Jesus, she urges them to pray the Rosary, make reparation for the sins of the world, and she leaves us with this promise, "Finally, my Immaculate Heart will triumph".
