

# VISITATIONS OF MARY & GRACES OF FRANCE

## THE LOURDES STORY

On the morning of February 11 1858, a little peasant girl, Bernadette Soubirous was collecting firewood down by the grotto when the Mother Mary appeared to her. There were 18 apparitions in all during which Our Blessed Mother passed on certain vital messages for humanity. Among those messages was a call for prayer and penance as well as a direct request for a chapel to be built for people to come to the Grotto of Lourdes in procession.

Countless numbers of pilgrims have answered this call and today some 5 million visitors each year proceed in faith from 130 countries. Since the miraculous events of last century, Lourdes has been a place of abundant gifts. Pilgrims are invited to come with an open heart and receive these gifts of miraculous water, reconciliation, healing, friendship and renewal.
